Support Our Shelter

How would you like to get your name in front of **1,000 potential new customers** a week, along with a do-good/feel-good reason to support your business? Now you can do just that, easily and with no upfront advertising costs.

The Lifelong Friends website receives more than 1,000 hits per week and has a database of nearly 3,000 staunch supporters. If you agree to donate a portion of your proceeds to the shelter for a day, a week, or a month, **we will display your logo** on the Lifelong Friends website and encourage our supporters and visitors to frequent your business.

Lifelong Friends Pet Adoptions is a nonprofit 501(c)3 no-kill animal shelter for stray and abandoned dogs and cats. The facility is run mainly by volunteers, and most of the funding comes from tax-deductible donations. Unfortunately, even these appreciated donations rarely cover monthly expenses. We still find ourselves living paw to mouth.

Lifelong Friends is offering this **unique opportunity** for your business to appeal specifically to animal lovers in your area and support the hundreds of animals in need at the same time. This is a win-win situation that we hope you won't pass up!
